

The Guide to...

Professional Exchange

Hosted Exchange 2010/13

Hosted Exchange 2010/13 is a fully managed service, both hosted and supported in the UK. This service enables companies to share contacts, calendars and email for a fraction of the cost of an in-house solution, and you can be rest assured your email is safe and secure.

Our Hosted Exchange solution is packed with free features that many of our competitors charge you for. Add to this our Exclusive features such as our permanent archiving and audit trail facility, and Green Cloud's Hosted Exchange 2010/13 stands out as the complete business email solution, at a great price with outstanding UK based support.
